Sure thing, Ana.

Also, I would like to come up to Sacramento to meet with you and Zoe, ahead of the 8/1 meeting in Los Angeles. Perhaps Steve Calanog and I can arrange a time for a short visit to discuss how things are going with the Exide planning. Maybe we can coordinate that with a time that some ERMAC members can join us.

I wonder if you are free on 7/26 or 7/27.

Best, Dan Meer

Subject: Schedule Next Exide Meeting

Hi Ana and Zoe

August 1 would be the most convenient time for USEPA to participate in the Exide working session, in advance of the Advisory Board meeting on August 18.

We look forward to assisting DTSC with this project.

Best regards, Dan Meer
